### **The Earth Groans Under the Oppression of Fallen Angels**

*Zutuel brings his complaints before the gates of God, concerning the oppression taking place on the earth under angelic rule. Azazel has the minds of the people tethered to himself, and he's teaching them (through the colleges of false education) how to survive untethered from God. Knowledge is increasing, but not in the form of faith; it's increasing in the form of corruption, as the prophet Daniel said: "and knowledge shall increase, and people shall travel to and fro"; and people are now oppressed under the weight of false knowledge.*

## 1 Enoch chapter 9

**1 *"Then Michael, Surafel, and Gabriel observed carefully from the sky and they saw much blood being shed upon the earth, and all the oppression being wrought upon the earth."***

Michael, Surafel (Rafel), and Gabriel are holy angels of great rank. And from the position of the authority they also studied the matters that were taking place on the earth, and the things that were unfolding regarding the curse, which the fallen Watchers bound themselves under.

They were watching these things, and Satan wasn't resisting them, as we see in the book of Job, of how Satan was assigned by God to perform a certain task

So, we see Michael, Rafel (Syurafel), and Gabriel here observing. And much blood was being shed (sacrifices), both human and animal sacrifices, and also the victims. The people (the Adamites) became victims of the giants, and all the oppression that was being carried forth on the earth (Satan causing confusion). He was causing derision in the minds of the people; they were not able to understand the things that were taking place. And there were also social clashes, and there was hoarding of land during this period of time.

**2 *"And they said to one another, "The earth, (from) her empty (foundation), has brought the cry of their voice unto the gates of heaven."***

*"And they said to one another, "The earth"*  
the angel of the earth, his name is Zutuel  
*"The earth from her empty foundation",*  
which is the invisible pillar it stands upon,

## I Enoch chapters 9-10

"has brought the cry of their voice unto the gates of heaven."

Zutuel was petitioning God regarding the violence that was taking place in his dominion, and he also brought before the Lord as evidence (2) to be examined before the judge....

As we also see in the days of Sodom and Gomorrah, when the Lord, Himself, came within this dimension and sent his angels, in order to examine the cry that was coming forth from Sodom and Gomorrah. And we see this happening again here.

So, he brought the angel of the earth, Zutuel brought his complaints before the gates of God, and also his complaint was with evidence in that it had to do with witnessing the oppression that was taking place on the earth, and also awaiting the final nod, concerning the earth's destruction.

Now in verse 3 Enoch goes on—

***3 "And now, (O) holy ones of heaven, the souls of people are putting their case before you pleading, 'Bring our judgment before the Most High.' "***

*"And now"*

which says to understand,

*"And now, (O) holy ones of heaven, the souls of people are putting their case before you pleading,"*

saying this:

*'Bring our judgment before the Most High.' "*

Here, Enoch is saying, Understand, you Watchers (the Watchers of his presence), Those that have peace in his light right now (in that darkness rules below you), he's saying that there's no equity within this earth, and the earth itself is pleading against their atrocities, against their works, against the institutions of false knowledge, against the interbreeding that was taking place, and that God was assigning a time element of 500 years.

So, they were pleading before him, and the angel of the earth was pleading before the Lord regarding this intrusion.

***4 "And they said to the Lord of the potentates, 'For he is the Lord of lords, and the God of gods, and the King of kings, and the seat of his glory (stands) throughout all the generations of the world. Your name is holy, and blessed, and glorious throughout the whole world.' "***

## I Enoch chapters 9-10

*"And they said to the Lord of the potentates,"*  
and all powers,

*"And they said to the Lord of the potentates, 'For he is the Lord of lords, and the God of gods, and the King of kings, and the seat of his glory (stands) throughout all the generations of the world. Your name is holy, and blessed, and glorious throughout the whole world.'"*

We see here that these particular titles were assigned to God; that's why he's called, the Most High, because he is superior above all (4) creation, all other gods; the God of gods, the Lord of lords, the same titles that were granted to Jesus that were put upon his cross—Lord of lords, King of kings.

So, here we can see that these titles were granted to him because God is self-devised, He's self-originate, self-perfected, self-eternal, immaculate (being pure and spotless with no blemish). Jesus carried the same titles because he's God, and there was no stain within him, no flaw to be found within his wisdom. And he rules supreme, as an autocrat. He has unlimited authority, undisputed influence or power.

So, here we see the angels addressing the Lord of hosts, our Lord, the one that died on the cross and rose again from the dead. They said to the Lord who is all powerful, *"Lord of the potentates"*

He's the crown of all creation,

*"the Lord of lords, and the God of gods, and the King of kings"*

He is the vow of all creation because he's the voice—the knowledge of his throne is carried forth into all creation by the voice, and everything that he created is tethered to himself (so, he's the Oath), and by his knowledge the righteous walk by faith. So he is the Voice, the Oath, and the Word—He's the VOW. That's why he says here, and the seat of all glory...of all things. Everything is tethered to him, and he rules throughout all the generations of the world.

God is putting everything—everything was created by him and everything is in rhythm with himself. He put eternity within a portion of time, and he marked this time; he put everything within a time frame. So, he says, and

*"Your name"*

being the authorized, sanctified kingdom,

*"Your name is holy,"*

being a (6) point of contact.

## I Enoch chapters 9-10

Even the angels have to come in contact with God to be sustained within the glory of their light. If they don't come in contact with God for their light to be sustained, then their light would diminish in the darkness. They need renewal for the purpose of their survival, just like we need renewal with the knowledge of God for our survival. But God is going to grant to us these very portions of himself, that we will also become self-devised, self-originate, self-perfected, self-eternal.

We will receive these powers because we're going to inherit God. We're going to receive these powers for the purpose of our dimension, to rule and reign with Christ, as the Apostle John writes. The Apostle John is carrying on the theme of this memorial and the theme of this history. He's giving this knowledge back to the church, which Satan robbed from the church. He robbed this understanding from the church so that the church could continually struggle with their sins.

The church that's struggling with their sins is in the house of Baal. But the church that is being prepared for glory are those that are in covenant with God, or in the house of Christ.

This is what Paul wrote about; Paul wrote about our inheritance—heirs of God and joint heirs with Christ is assigning us these powers. And these powers, which God assigned to us, began their work within us at conversion, so that we carry these treasures within our heart. And because we carry these treasures within our heart, we receive the fulness of them in heaven—*"For where your treasure is, there will your heart be also"*; remember, Jesus said that (Mat 6:21).

The things that you're sowing now within the kingdom of God through charity (charity builds, but envy diminishes). Bitterness diminishes the powers of Christ. Envy diminishes the powers of Christ. Emulation diminishes the powers of Christ. These are the works of iniquity that rob the heart of faith (50) and the mind of understanding, and keeps the vessel in the state of corruption.

But Jesus, by covenant, has granted the church this knowledge at this present time to restore unto us this glory, that we, with faith and patience, can await the time of perfection to enter into that inheritance. But without this understanding we would continually wander in our ignorance, trying to resolve our sins through contrition.

This is what the false religious system does. In the house of Baal, they're always trying to resolve the conflict that's within them and are always repenting because they carry an evil conscience, yet they're trying to walk by faith.

You can't walk by faith with an evil conscience, because faith only gives you the good conscience. By faith we reflect God perfectly. By faith we see eye to eye. By faith we see face to face—because by faith Peter beheld the face of God.

## I Enoch chapters 9-10

That's why Jesus rejoiced at that reciprocation, because Peter saw the face of God—not in the form of the flesh, but in the form of the knowledge... *"You are the Christ"*, he said. *"You are the Son of the living God."*<sup>1</sup> That is perfect reciprocation by grace.

But Judas only beheld a plan. He tried to resolve something by his knowledge, and he was called, the thief and the betrayer; he who betrayed him.

A calling doesn't save you, but covenant will. Even the angels received great titles, as Satan received the title of an archangel; but that didn't save him from his derision because he chose contrariness to faith.

So, here we see in the book of Enoch,

*"Your name is holy,"*

as an only contact point because it benefits the mind; it brings understanding for ever, and (therefore), it's without restrictions of death.

Your faith is without **(10)** the restrictions of death. God is nurturing within our soul at this present time eternal things. That's amazing, that even though we're in temporary vessels, yet God is nurturing within our soul eternal things.

We are multidimensional in our creation, just like our Father is multidimensional.

**5 *"You have made everything and with you is the authority for everything. Everything is naked and open before your sight, and you see everything; and there is nothing which can hide itself from you."***

We see the same thing written in the book of Psalms. Even the Apostles said that; even Jesus talked about that—the nakedness of man's soul. Nothing can be concealed from God because everything is tethered to him. Just like your hand can't hide itself from you. Can your hand hide itself from your understanding? You're always aware of the presence of your being: the movement of your feet, the movement of your fingers, the direction of your eyes, and the power of your mouth. Even the Apostle James talks about that with regards to the tongue— "it's a small member, yet boasts great things".

So, everything is tethered to God, and God knows of his existence, his presence, his direction, his thinking, his mindset, and his destination. He knows everything. He made everything, as it says here in verse 5:

*"You have made everything"*

The God-Code was designed within everything that he constructed; everything that

---

<sup>1</sup> [Mt. 16:16](#) And Simon Peter answered and said, Thou art the Christ, the Son of the living God.

## I Enoch chapters 9-10

he designed carries this mystery—the God-Code plus faith, being designed in the image of yourself in everything.

So, we can see that even Jesus spoke of parables. A parable is sealed in everything that you created, and everything is tethered to you by your Oath. So, when Jesus spoke parables (remember, Jesus was speaking parables regarding his plan, regarding himself, and how these things will be unfolded).

*"with you is the authority"*

the voice of his Oath,

*"for everything. Everything is naked and open"*

even the foundation of the signature; the foundation of the signature of (12) all creation is open before him.

He sees everything, and nothing can be hid from him.

All creation is connected to your soul—that shows how God is the autocrat; unlimited authority, undisputed influence and power over everything.

**6 "You see what Azazel has done; how he has taught all (forms of) oppression upon the earth. And they revealed eternal secrets which are performed in heaven (and which) man learned."**

*"You see what Azazel has done; how he has taught all forms of oppression upon the earth. And they"*

the angels,

*"they revealed your eternal secrets which are performed in heaven and which man learned."*

God gave man the power of writing. God gave man the power of reason.

The power of reason was given to man from the mobility of the angels and from clouds. He's not talking about the vapors that exist in the firmament, but he's talking about the mobility of clouds... being spirits of high intelligence, which perform things regarding the mobility of your own body (the heart rate, the body temperature, the functioning angels of your understanding, the mind, ....everything that is performed within your body is from these powers.)

Now Azazel, as it says here in verse 6....

*"You see what Azazel has done;"*

in other words, he's saying, the evidence points to the criminal, which is Azazel; he plunders by his counsel. As I said earlier, charity builds, but envy plunders. Azazel has taught oppression on the earth. Instead of building the kingdom of God, they're plundering the kingdom of God.

## I Enoch chapters 9-10

That's exactly what Jesus said— *"He that gathers not with me scatters abroad."*<sup>2</sup> "He that is not building by my knowledge is trying to plunder by envy and bitterness."

And that's what the Pharisees did. The Pharisees plundered the house of God by their own envy and bitterness. They were driven by their aspiration, and they were trying to fulfill the God-code with the moral code in their own signature; because the moral code is connected to the flesh; the flesh is connected to Satan's house. And the Pharisees were trying to worship God on the grounds (14) of their own moral code. They were trying to bring correction through scripture, rather than through covenant.

So, here, they're saying, Look how he spoils; he spoils the soul and defiles the conscience. He puts barriers to man's reason, and he dims their understanding. Look how he's taught all these forms of oppression because he plunders and brings conflict among all the people.

The knowledge of this world continually plunders society. You notice that? Everything that is being taught (which is outside of the covenant), the kingdoms of this world (being in darkness under Satan's 13 princes, under his 13 kingdoms, which Isaiah spoke about, Daniel talked about, the book of Revelation speaks about, and the book of Enoch speaks of) how the heavenlies are plundering their victims; just as the ocean reflects the sky, (so) the soul of the sinners reflect the master, which they're under, and they're tethered to Satan's influence (of his 13 princes).

And Azazel has the minds of the people tethered to himself, and he's teaching them (through the colleges of false education), he's teaching them how to survive untethered from God. By teaching them how to survive untethered from God, which is a lie, by the way, because what they think is survival is plundering each other. So, they're hoarding land. And the fallen Watchers were amassing together all the elements of the world and teaching man how to set standards. By setting these standards, they taught man how to create social classes.

*"You see what Azazel has done; how he has taught all these forms of oppression"*  
this false knowledge

Man pursues the knowledge of this world for his peace and security, which Jesus spoke about...that they're going to say, *"Peace and security; Peace and safety, and then sudden destruction comes upon them."*<sup>3</sup>

---

2 [Lk. 11:23](#) He that is not with me is against me: and he that gathereth not with me scattereth.

3 [1Thes. 5:3](#) For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

## I Enoch chapters 9-10

When Adamites feel that they have achieved the goals of their boasting, that they have reached the pinnacle of their aspirations, that they have brought (16) under rule every one under their principle, then they say, Peace and security. And then sudden destruction comes upon them.

The eternal secrets of the angels were being taught to man with regards to the powers of the angel, they hypnotic powers of rhythm and pitch and sound, as well as the projection of the imagination.

"They (have) revealed eternal secrets"  
they unfolded the skills to advance the imagination of man.

We can see this today; in every society Adamites are trying to achieve the goals of their imagination with the powers of iniquity, which has to do with the aspiration and principle. They're doing the same things Azazel taught to those of the 1<sup>st</sup> millennium. And that which they taught in the first millennium is still carried forth in tradition of the 7<sup>th</sup> millennium, in which we're living now—the last generation—the last days, which the Apostle Peter spoke about—in the last (two) days. And we're in the last of the days now.

*"He has taught all (these) forms of oppression on the earth"*  
to the people, to the Adamites; to instruct them in how to resist grace by false knowledge. Like I said, we see this in every institution in the world today. It doesn't matter where you live, throughout the whole world, every society is teaching these things, which began with Azazel and Semyaz. as well as Satan.

But Satan is a whole different class in itself. He was a cherub, being cast out of heaven, but the Watchers and Satan did not come in collusion as yet. The Watchers could take over the whole world in this physical dimension. But he (Satan) was denied the physical and that's why he remains in the form of the invisible today. But once he's cast out of his dimension and comes into this dimension, he's called, the dragon (as you see in Rev 13<sup>4</sup>).

When God cleans out the dimension of the princes, which is in the atmosphere in the first heaven called, Willen, when they're cast out, then they're going to take physical form, (18) and they will rule the world. The angels will rule the world as they did in the first millennium.

The angels will rule the world for 3 ½ years of the 7 year tribulation as they ruled the world in that short period of time during the days of Noah. And that's exactly what Jesus said: *"As it was in the days of Noah, so shall it also be in the days of the coming of the Son of man"* (Lk 17:26).

---

4 [Rev. 13:4](#) And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who [is] like unto the beast? who is able to make war with him?

## I Enoch chapters 9-10

What were they doing? The angels that fell were "eating and drinking and marrying and giving in marriage until the day that Noah entered into the ark". The angels of heaven were behaving themselves as the children of men.<sup>5</sup> They were indulging themselves within the time frame of their own derision, just like the children of men are doing today. They're indulging themselves in covetousness in their own derision, living out their own madness of the imagination.

*"they (have) revealed (the) eternal secrets which are performed in heaven"*  
the incantations and the music (particularly of the Qedussah). Now verse 7;

**7 *"(Moreover) Semyaz, to whom you have given power to rule over his companions, co-operating, they went in unto the daughters of the people on earth;"***

*"Moreover Semyaz",*  
being the chief leader; we read about that in chapter 6;

*Semyaz, to whom you have given power to rule over his companions,"*  
Now, remember, God assigned Semyaz this particular position. He was a chief of this order. God assigned Semyaz as a token of light to be a steward within this dimension, to teach the children of men (things like) how to sow, how to reap, how to care for cattle, and how to build). The Watchers (the angels) taught Adamites how to work with wool, how to build, how to construct. The angels assisted the Adamites with their signatures, but that wasn't to replace covenant; the signature was given for your performance within this dimension, it was never given for the purpose of replacing faith in God.

Adam was the second angel, and he was given authority over this dimension. And God gave Adam the power to name all the creatures that were in this dimension. Adam named these creatures according to his signature, (20) but that (his signature) had nothing to do with covenant. It wasn't (used) in rebellion against the covenant of God, but now, Adamites **are** using their signature against God. Just like Satan used his brightness against God.

Satan used his signature and what God gave him as a gift (in position, in brightness, in wisdom), and also the orders over which he was assigned, he used them (those things) against God. And Adamites do the same thing today.

Sinners are using their signature against God, as the angels that fell used their signature against God. And that's why Jesus called (said of) the Pharisees, "You're as

---

<sup>5</sup> [Lk. 17:27](#) They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all.

## I Enoch chapters 9-10

*your father, the devil.”<sup>6</sup>*

“You're using the gift God gave you and signature, singular intelligence, penetrating mind, or much property, or power, or silence of the lips—those things, which I have given to you Adamites as gifts, you're using against your own creator.” So, Jesus said, *“You're of your father the devil”*.

Here we can see the angels provided a pattern and form for the sinners to follow, but it was not in covenant.

*“Moreover Semyaz, to whom you have given power to rule over his companions”* God assigned Semyaz this position. That's why he was the chief speaker and angel on Mount Hermon, which was the town called Arakeb, which is on the summit of Ardos on Mount Hermon, which the angels called Mount S-I-O-N, which was a reflection of Sion in heaven.

*“to whom you have given power to rule over his companions, co-operating, they went in unto the daughters of the people on earth”*

and they gave the daughters of the earth any reward for any co-operation with also powers, rank, and status, to keep their presence necessary, and to fill the earth with their own children. [Other scriptures and documentation show that between 100,000 – 400,000 (22) giants were born during that period of time.] So, it wasn't just a few giants, like Goliath and his clan during the times of King David, but we can see that the earth, at this point in time, was overspread with them. They hoarded land, they built castles and cities, and had whole regions under themselves, and they began to teach about war—how to defend their property.

**8 *“and they lay together with them—with those women—and defiled themselves, and revealed to them every (kind of) sin.”***

*“and they”*

these angels,

*“lay together with them”*

the daughters of the flesh,

*“with those women—and defiled themselves”*

because they transgressed the law of God in overstepping the time element, which God assigned to them at first (from the 1<sup>st</sup> millennium to the 7<sup>th</sup> millennium).

---

<sup>6</sup> [Jn .8:44](#) Ye are of [your] father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

## I Enoch chapters 9-10

As we read on we'll see that (in future chapters), how God assigned the Watchers that they would be given the daughters of Adamites for the purpose of propagating their seed, for the purpose of the inheritance. So, God did grant it to them, but they were premature regarding this promise.

*"they lay together with them"*

the daughters of flesh

*"with those women—and defiled themselves"*

Their own conscience became defiled because instead of carrying that witness, which is of heaven, they also carried the witness of their transgression, which now carries the witness of themselves, and not God's perspective. That's a defiled conscience.

The world carries the defiled conscience because its perspective is within themselves, which is tethered to Satan's perspective.

*"and revealed to them"*

they revealed to all the Adamites

*"revealed to them"*

(man)

*"every kind of sin"*

this false knowledge; that which offends

Satan, as well as the fallen Watchers, began to put a whole new culture in this dimension, an acculturation, a false acculturation. And that culture still remains to this day in the soul of all those that are born of the flesh—that culture. Those that are born of (24) the flesh are immediately put within a culture that's dark and is diminished of light, and of every kind of sin. So, as soon as a child is born, they learn this culture.

The first culture was God's culture, which was paradise: of light, and equity, and everything. The false culture is what Satan introduced and which the Watchers carried in that tradition of the flesh (even to this present time), and which Nimrod also taught; thinking that he was the messiah of his time, he taught that form of oppression, which still exists to this day—to rule.

A new system emerged, a new culture emerged for their own peace and security, but this system that emerged was untethered from the Godhead. And the house of Baal today teaches a religion that's untethered from the Godhead. It teaches promises that are not of the Spirit of God, but the promises of resolving the issues of the world.

The time period of the giants, we'll see as we read on, was 500 years. The women bore many beautiful children of the angels. The children that were born of them were very bright. When they came out of the womb, the womb itself became aglow; it just lit up with their presence.

## I Enoch chapters 9-10

When Noah was born, he was also born with a demdema, and Lamech thought for sure that he was one that was born of the angels (of the giants), which is why he made inquiry regarding this one that was going to bring peace in the earth. And the Lord revealed to Enoch, when he began to petition God, that this one that was born was going to bring comfort in the earth. A new week was born.

**9 "As for the women, they gave birth to giants to the degree that the whole earth was filled with blood and oppression."**

*"As for the women, they gave birth to giants"*

like I said, to about 100,00- to 400,000 giants

*"to the degree that the whole earth was filled with blood and oppression."*

Social injustice emerged, (26) and economic inequity was the result of that, and the derision of the curse. But it didn't happen overnight (or) all at once; it happened after the curse, which Enoch told the Watchers.

**10 "And now behold, the Holy One will cry, and those who have died will bring their suit up to the gate of heaven. Their groaning has ascended (into heaven), but they could not get out from before the face of the oppression that is being wrought on earth."**

*"And now behold,"*

at the present time, they said; Look at this, he said, at this time—

*"the Holy One will cry, and those who have died will bring their suit up to the gate of heaven. Their groaning has ascended into heaven, but they could not get out from before the face of the oppression that is being wrought on earth."*

There was nowhere to hide, and nowhere to escape at that time...and neither will there be in the 7<sup>th</sup> week.

The cry of the oppression of the sinners is going to come up before God, and at that time, the temple (which is heaven) will be shut. [We see this in chapter 16 of Revelation] because at that time, no more petitions will be allowed in. And after the angels have brought their suit before God, regarding the things of the earth, the temple is open, and then the gates will be closed, and the angels will then proceed on with their judgments.

Here we can see a suit is being cried,

*"And the Holy One will cry, and those who have died will bring their suit before the gate of heaven."* Now, let's see what happens here in verse 11.

## I Enoch chapters 9-10

**11** *"And you know everything (even) before it came to existence, and you see (this thing) (but) you do not tell us what is proper for us that we may do regarding it."*

*"And you"* (God), *"you know everything"*

because the God-Code (as we know) carries everything.

*"you"*, God, *"know everything"*

because everything carries the God-Code, as was designed in your bosom; before anything was created, before anything was brought into existence, it existed within the mind of God.

Our existence, being in the bosom of the Father, is trillions of years old. We existed in the thoughts of God for trillions and trillions of years, before we came into this dimension to perform that which God designed within us. And this is what Enoch is bringing out here: **(28)**

*"And you"* (God), *"you know everything, even before it came to existence,"*

That means, you gave powers and foresaw the results before anything came into the existence of this dimension (a dimension of himself)

*"before it came to existence, and you see this thing,"*

the acts of the fallen Watchers,

*"but you do not tell us"*

that is, the angels,

*"you do not tell us what is proper for us that we may do regarding it."*

Why are you silent, Lord, as you see these things unfolding in the earth? Was this a fluke or an oversight of your great wisdom? (This is what the angels were thinking.)

They saw Christ himself being concealed in the light, and (God) did not give a charge regarding the transgression that was being performed on the earth; that the angels, all of his host, were about the throne and were wondering, Lord, why is it that you have not initiated a judgment? Why is it that you did not stop the folly of our brothers (the fallen Watchers)? Why is it that you did not intervene?

This is part of God's plan. That's why he didn't stop anything. He didn't stop Satan from falling; it was in God's wisdom for the act to take place.

Jesus was the Lamb slain before the foundation of the world. God had provided redemption before Satan was even created. So, Satan's creation and his fall was a design by God. That's why God said even to Moses, *"I create good, and I create evil. I make alive, and I destroy. I wound, and I heal. I tear, and I amend. I, the Lord, do all these things."*<sup>7</sup> God testified to the fact that. *"I have caused all these effects; I do*

<sup>7</sup> [Deut. 32:39](#) See now that I, [even] I, [am] he, and [there is] no god with me: I kill, and I make alive; I wound, and I heal: neither [is there any] that can deliver out of my hand.

## I Enoch chapters 9-10

*these things; this is what I plan to do."*

Even Abraham saw the future of Israel. He saw the holocaust take place before it even happened; thousands of years before it even happened, Abraham saw it, and he wept before God, and he said, God, why are you showing me these things? (30) And Abraham was weeping before God in this revelation (when Abraham was taken to the 7<sup>th</sup> heaven).

Abraham foresaw the destruction of his people and the dispersion, and the gathering together, and the great persecution (which they underwent). God continually directed Abraham's attention (to the fact) that this was his (God's) plan, in order for him to get glory. In order for him to get the product he's looking for, he initiated these things. These things were initiated within him before they were actually manifested... Jesus is the Lamb slain before the foundation of the world. We can see that these scriptures give us glimpses regarding God's great power.

He knows our station in the eternal light. He knows our future names, our thrones, and our capabilities of creation. He sees the end from the very beginning, and that's why he called himself, *"I am the Alpha and Omega, the beginning and the ending."*<sup>8</sup> "I am the plan, and I will complete this plan in righteousness", as he said, "God will complete this plan and cut it short in righteousness. It's only a short period of time.

*"And you know everything even before it came to existence, and you see this thing but you do not tell us"*

the angels petitioning God, What should we do in order to stop the folly of Azazel and the folly of Semyaz? What is it that you require of us?

*"What is proper (for us)?"*

What judgment do we do? Well, let's read on and see what God is going to say.

### **1 Enoch chapter 10**

**1 "And then spoke the Most High, the Great and Holy One! And he sent Asuryal to the son of Lamech, (saying),**

*"And then spoke the Most High"*

a voice came out of the light

As we read on in the book of Enoch, the book of Enoch is going to describe to us what God looks like. And it's really amazing what he looks like. Everybody wonders, What does God look like? As we read on we'll see that. But we can see that a voice will come forth out from the bosom of the Father, and of course, that is Christ

---

<sup>8</sup> [Rev. 1:8](#) I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

## I Enoch chapters 9-10

himself, speaking. (32) Christ is the will and power of God, as the Apostle Paul said; *"Christ the power of God, and the wisdom of God."*<sup>9</sup> He's directing everything by these powers of which he is.

And here we can see that the angels were petitioning and awaiting God's orders. And then a voice came out from the very light, which was Christ himself speaking in this form of power:

*"And then spoke the Most High"*

being he was above all gods, and a voice came out from him

*"And then spoke the Most High, the Great and Holy One!"*

superior and terrible and only holy

*"And he sent Asuryal to the son of Lamech"*

which is Noah,

...to go to Noah, the son of Lamech, and tell Noah

So we know that this period of time is but 1000 years after creation.

And here, God authorized this archangel, Asuryal, to go out and inform Noah, to give him either a dream or vision, about the things that are about ready to take place.

So, Asuryal went out and told Noah:

*"Tell him in my name,"*

Now remember the archangel, Gabriel, told Mary, "I have come out from the presence of God". Remember he said that? Well, we can see the same thing happening here. "I have come out from the presence of God, and I have come to tell you some things that will be taking place in your life."

We know that Gabriel announced the birth of Jesus, as well the birth of John, the Baptist. And he also gave a little insight; Gabriel had access to the books of heaven, and by God's authorization, Gabriel spoke to Mary and Elizabeth of things to come—the future. The same thing God does to us; he tells us the future, as Isaiah, the prophet, spoke about:

"And he shall show you things to come" as Jesus said of the Holy Ghost, "he will show you things to come."<sup>10</sup>

I want you to tell Noah, the son of Lamech,

9 [1Cor, 1:24](#) But unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God.

10 [Jn, 16:13](#) Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, [that] shall he speak: and he will shew you things to come.

## I Enoch chapters 9-10

**2 "Tell him in my name, Hide yourself! And reveal to him the end of what is coming; for the earth and everything will be destroyed. And the Deluge is about to come upon all the earth; and all that is in it will be destroyed."**

I want you to tell him in my name, by the authority of my kingdom, (34) he said, "This time I want you to hide yourself."

There's also a season, which the Apostle Paul wrote about: "*in season and out of season*"<sup>11</sup>... the season to make known, and the season to make silent.

The season to make known is the time of power. The season to remain silent is the time of darkness prevailing. And God has these seasons for the righteous: the season of preaching and the season of silence.

In the false religious system they assign themselves a season to proclaim their own particular denominational doctrines at all seasons. But we can see that God doesn't work that way; there's a season to sow, and a season to reap. Even Solomon knew that as he wrote in the book of Ecclesiastes.

He said, I want you to hide yourself, Noah; hide yourself, and I want you to reveal to him-

*"Hide yourself! and reveal to him"*

(to Noah)

*"the end that is coming"*

Now, it was revealed to Adam and Eve by a vision (a dream vision) that a great destruction would be coming upon the earth. And there was also revealed to Enoch, "A great-grandson is going to be born to you, Enoch, and he's going to have three sons of his own". And he even told him their names. "That, which is to proceed from him; even (from) the times of Abraham to the times of the construction of the temple of Solomon.

*"Hide yourself!"*

he said to Noah, and this is about 1600 years later;

*"Hide yourself! and reveal to him the end of what is coming; for the earth and everything will be destroyed."*

And we have evidence of that fact today, as the ark of Noah on Mount Ararat still exists there—satellite pictures of it have been taken, people have actually been inside the ark of Noah. Even though at times it's covered with ice and snow, yet at periods of time, God has allowed man to venture the area and actually enter into it and to also take certain relics from it.

---

<sup>11</sup> [2Tim. 4:2](#) Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine.

## I Enoch chapters 9-10

*"everything will be destroyed. And the Deluge is about to come upon all the earth; and all that is in it will be destroyed."*

What he's saying is, "Death will consume only what I have not sanctified (36). Death will consume everything that I have not sanctified." That's what the Lord is saying. But God concealed Noah in an ark and sealed it by an angel to sanctify him and his family, to spare them, being the second week and clemency, as the Apostle Peter brings out.<sup>12</sup>

**3 *"And now instruct him in order that he may flee, and his seed will be preserved for all generations."***

*"And now"*

he says here,

*"And now"*

Asuryal, I want you to instruct Noah;

*"And now instruct him in order that he may flee,"*

that is, go to the ark.

And this happened after Sopanim died, (not Noah's wife, Emzorrah), but Sopanim was his brother, Ner's wife, and after she passed away, (she was the one who birthed Melchisedec, and we'll get into that later on)...

This is really interesting history we're reading here, so that when you read your Bible, you can see that the things you're reading weren't just pulled out of the air, but what you're reading has deep roots and interesting history and heritage of the righteous.

*"And now," (Asuryal), "instruct (Noah) that he may flee"  
"and his seed will be preserved for all generations."*

We can see (again),

The God-Code will carry this tradition of faith in you, Noah, so that by this tradition of faith, My knowledge will be preserved; because Noah is to take in the ark the books of Enoch as well as the other writings of Seth, and the other writings that Enoch had, and also the body of Adam, and the gold, the frankincense, and the myrrh that was given to Adam.

The angels gave him the incense and the myrrh from the garden of paradise, regarding that this is a promise that you're going to receive back into paradise, and also the gold taken from India, which was so pure, it was luminous and gave light in the cave of treasures.

---

<sup>12</sup>[2Pet 2:5](#) And spared not the old world, but saved Noah the eighth [person], a preacher of righteousness, bringing in the flood upon the world of the ungodly;

## I Enoch chapters 9-10

These three tokens that were given to Adam were spared and preserved by Noah, brought out from the ark (38) of Noah, and put into the cave of treasures in the exact place where Jesus of Nazareth was born;

—that a king was born in the place where Adam died,  
—that the gifts, which were given to Adam were given to the 2<sup>nd</sup> Adam,  
(Jesus of Nazareth, King of kings)

This is why I'm bringing this out at this time, because Noah is receiving his instructions regarding this—where Adam died and the second Adam will be born, who will be King of kings and Lord of lords.

This was spoken to Adam (we see this in 1<sup>st</sup> Adam and Eve, in the writings of Adam and Eve), as also to Enoch.

**4 "And secondly the Lord said to Raphael, "Bind Azazel hand and foot (and) throw him into the darkness!" And he made a hole in the desert which was in Duda'el and cast him there;"**

*"And the Lord said to Raphael"*

the holy angel, Raphael; and turning to him he says, I want you to

*"Bind Azazel"*

I want you to arrest Azazel. I want you to bind him hand and foot and throw Azazel into the darkness.

*"And he"*

the holy archangel, Raphael,

*"he made a hole in the desert"*

And we'll read about this in the book of Revelation, regarding this location.

*"He made a hole in the desert which was in Duda'el and cast him"*

Azazel, into this pit.

And in the location called, Duda'el, which is also located in Iran. In Iran there is an abyss, a bottomless pit, which has a shrine erected upon it. And the Iranians and Muslim tradition are awaiting the 12<sup>th</sup> Imam to arise from that pit. And the 12<sup>th</sup> Imam will arise from that pit, but his name (here) is Azazel, and he (again, being of his brothers) will teach the treachery of the fallen Watchers again in the 7<sup>th</sup> week, which is closely arriving on our time frame.

He is not going to arise out of the ocean or out of the sea (water), but he's going to arise out of this pit. He's going to be a religious leader called, the second beast, which is the Watcher, as we read in the book of Revelation.

So you can understand that the one that arises out of the sea<sup>13</sup> (the sea of humanity) is called, the first beast, the demon man. And the second (40) will arise up

---

<sup>13</sup> [Rev. 13:1](#) And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

out of the abyss,<sup>14</sup> located in Iran, of which they are awaiting in great expectation for him to arise. And the next one will be cast out of the third heaven, which is Satan himself, called the dragon<sup>15</sup>—the 1<sup>st</sup> beast, the 2<sup>nd</sup> beast, and the dragon.

Azazel is going to be bound there until the time of his judgment, which means, that's the time when he will be released. Now, as we read on, we're going to see some more interesting things happen here, and things that are happening even today.

**5 "he threw on top of him rugged and sharp rockes. And he covered his face in order that he may not see light;"**

Now, Raphael threw on top of Azazel rugged and sharp rocks. Raphael covered Azazel's face in order that Azazel may not see the light. And he's right down in the abyss today awaiting the time of his release.

**6 "and in order that he may be sent into the fire on the great day of judgment."**

in order that Azazel may be sent (at that time)

*"into the fire on the great day of judgment."*

which is the 1<sup>st</sup> judgment in the 7<sup>th</sup> day in the 9<sup>th</sup> week, when he will be cast into the lake of fire by the Lord himself, as we see in Rev 19:20.

As we read Revelation chapter 19, the end of that chapter, we see the beast and the false prophet taken without hand and cast into the lake of fire<sup>16</sup>. And there he is....Azazel.

**7 "And give life to the earth which the angels have corrupted. And he will proclaim life for the earth: that he is giving life to her. And all the children of the people will not perish through all the secrets (of the angels), which they taught to their sons."**

*"And give life"*

I want you to give renewal and hope to mankind by holy knowledge.

14 [Rev. 13:11](#) ¶ And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

15 [Rev. 12:7-9](#) ¶ And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, (8) And prevailed not; neither was their place found any more in heaven. (9) And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

16 [Rev. 19:20](#) And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

## I Enoch chapters 9-10

*"give life to the earth which the angels have corrupted."*

The fallen Watchers spoiled by false knowledge. They severed the people from the Godhead by removing their understanding from the covenant. Just like today; the hydra, or the house of Baal, or the false religious system (as we call it) is the hydra. The hydra is the heads of many religions, but they're all joined to one body, which is the beast who oversees these things.

The knowledge the hydra preaches severs the people from the hope of the Godhead. It's only as we're tethered to that by the second covenant priesthood, that we have our inheritance sealed there: *"For where your heart is there will your treasure be also"*.

That which is being laid up within you is being prepared for your reward; **(42)** so the more you sow, the more you grow. You want to use the tokens that God has given to you because these tokens are keys, which will allow you into your treasure house, in the vaults of your treasures in the 7<sup>th</sup> heaven.

*"And he will proclaim life for the earth; that he is giving life to her. And all the children of the people will not perish through all the secrets of the angels, which they"*

(Azazel)

*"taught to their sons"*

(the giants)."

**8 *"And the whole earth has been corrupted by Azaz'el's teaching of his (own) actions; and write upon him all sin."***

"And the whole earth has been corrupted"

it's rotting in philosophy.

Knowledge is increasing, but not in the form of faith; it's increasing in the form of corruption, as the prophet Daniel said: *"and knowledge shall increase, and people shall travel to and fro"*.<sup>17</sup>

People will be always looking for greater things and more things, greater understanding.

Technology will increase, as was prophesied by Daniel. But also wickedness will increase.

*"the whole earth has been corrupted by Azazel's teaching of his own actions; and write upon him all sin."*

He is called the man of sin in Thessalonians—the man of sin,<sup>18</sup> of all iniquity, as the

<sup>17</sup> [Dan 12:4](#) But thou, O Daniel, shut up the words, and seal the book, [even] to the time of the end: many shall run to and fro, and knowledge shall be increased.

<sup>18</sup> [2Thes 2:3](#) Let no man deceive you by any means: for [that day shall not come], except there come a falling away

## I Enoch chapters 9-10

beast.

The angels taught all these secrets (again); the hypnotic power of the signature through the rhythm and pitch, and the emotional passions (being the power of the emotions), even laughter; all these things were taught to man (the powers of these things).

**9 "And to Gabriel the Lord said, "Proceed against the bastards and the reprobates and against the children of adultery; and destroy the children of adultery and expel the children of the Watchers from among the people. And send them against one another (so that) they may be destroyed in the fight, for length of days they have not."**

*And to Gabriel the Lord said" this:*

Now, we have Gabriel, Michael, Raphael, and Asuryal...

The Lord is speaking to these archangels to perform certain tasks within this dimension.

*"And to Gabriel the Lord said (this): Proceed against the bastards"*  
(That's what God called them, being half-breeds)

"I want you to sow discord in the hearts of the giants to create suspicion of war. So, Gabriel, I want you to

*"proceed against the bastards and the reprobates and against the children of adultery; and destroy the children of adultery and expel the children of the Watchers from among the people." (44) "And send them against one another so that they may be destroyed in the fight, for length of days have they not."*

If you read the book called, The Testament of Solomon, it brings out a little more detail about the Watchers and the wars of the Watchers. This has to do with incantations and resolving incantations. And one of the demons that came before Solomon began to share the history of his death. And another demon came before Solomon and shared his history, that he was a son of an Amorite woman, and his father was an angel, he said. And another demon came before Solomon and also revealed that he died in an ambush during the times of the giants. So, it's kind of interesting.

We see how Goliath (was) also a giant, he died, and also his soul is still wandering the desolate places. Let's go on.

*"for length of days have they not"*

The period of time that the Watchers were hoping that they could acquire—they had a time frame of 500 years.

---

first, and that man of sin be revealed, the son of perdition;

## I Enoch chapters 9-10

Every kingdom of the earth today has reached its pinnacle of around 500 years. You can see this throughout history in your own history books; we can see that every nation of the world reached a certain pinnacle of power, and then from that point on, it diminished and went into weakness. That's why here the Spirit of the Lord reveals 500 years: "You're going to reach the pinnacle of your powers in 500 years...your cities, your goals, your monuments; even the pyramid of Cleops was constructed by giants.

Engineers today marvel at the engineering feats of these massive stones that were moved. They marvel at these things; not just the location, but the mystery that's concealed within them. That goes all the way back to the Watchers (regarding these things).

The Watchers wanted to establish (46) a memorial of their presence down here, and they constructed monuments so that after the flood, their presence would still be immortalized in the minds of the ignorant (the Adamites). And they also left writings of their presence.

The Watchers had books, just like Enoch had books.

Enosh wrote books; he wrote books of incantations and the powers of religion.

Enoch gave knowledge for the purpose of faith in covenant.

But Enosh was a competitor of Enoch of his time.

Just like the Pharisees were competing against Jesus in his time (of the 1<sup>st</sup> century), Enosh was also competing against Enoch because Enoch, going to the 7<sup>th</sup> heaven, brought knowledge down to this earth for faith in covenant. And also (in the days of Methuselah) Methuselah went down from the mount of the cave of treasures and began to preach to all the wayward children that left the mount; as we see also in the book of Peter; Peter wrote about that, the souls of the disobedient. We'll talk about that a little more later.

But here we see the number, 500 years. So reading verse 10 again:

**10 *"They will beg you everything—for their fathers on behalf of themselves— because they hope to live an eternal life. (They hope) that each one of them will live a period of five hundred years."***

*"They will be you everything"*

(they will) look passionately for a compromise and (for) sympathy from the angels with regards to their fathers...

*"for their fathers on behalf of themselves"*

the fallen Watchers and their children (the children would be begging in the name of their fathers)

## I Enoch chapters 9-10

We see in the Testament of Solomon the resolving of incantations (or) the resolving of curses, was by the name of an angel because God assigned these angels certain authority. Their name did have authority. That's why the Watchers were giving Enoch their names; all of them gave him a list of names for authority—Would you make a prayer for us by these names? So that by our names, we will give you our secret name, so that you can recall us. And that's why Semyaz (48) wanted to give Michael, the archangel, their secret name—so that Michael, the archangel, could call forth their souls and commune with them.

Same thing which people do today, trafficking with demons through séances; they're using the incantation of the name of those particular demons.

*"They will beg you everything—for their fathers on behalf of themselves—"*  
using their fathers' names

*"because they hope to live an eternal life. They hope that each one of them will live a period of five hundred years."*

That is, before any destruction comes to remove any labor of their memorial.

So god has assigned a time frame to every nation; as we see the times of Egypt were 500 years, Israel for 500 years, we see Ancient Greece for 500 years, Persia, and also Chaldea, the Medes, the Persians; those were as for 500 years. Rome for 500 years (East and West Rome 500 years), Greece - 500 years, Europe- 500 years, and today—the US of A—500 years. And we're at the end of that time period now.

Every nation had a period of time to reach its pinnacle of perfection, and then it would be diminished within that time frame. So, we can see how history is repeating itself; even regarding the nations of this world today we can see that—the Middle East nations, the Far East nations, the European nations, and the Western nations of the United States.

This (right here) was a secret that was given to them regarding the nations. They wanted to live at least 500 years.

**11 *"And to Michael God said, "Make known to Semyaza (Semyaz) and the others who are with him, who fornicated with the women, that they will die together with them in all their defilement."***

*"And to Michael God said, "Make known to Semyaza (Semyaz) and the others who are with him, who fornicated with the women,"*

that means, "They engaged with the unsanctified things here, and are just out of rhythm with my plan", they which

## I Enoch chapters 9-10

*"fornicated with the women, that they will die together with them in all their defilement."*

God cursed their increase and cast their equity away.

**12** *"And when they and all their children have battled with each other, and when they have seen the destruction of their beloved ones, bind them for seventy generations underneath the rocks of the ground until the day of their judgment and of their consummation, until the eternal judgment is concluded."*

Now, *"when they and all their children have battled"*  
this is during the wars of the giants; the wars of the Lord

Remember, we (50) see that in the books of Exodus concerning the wars of the Lord—how the angels of heaven cast upon the armies, even on the armies of the giants, great hailstones, and destroyed them? Well, they were doing the same thing here.

*"And when they and all their children have battled with each other, and when they have seen the destruction of their beloved ones, bind them for seventy generations"*  
That's an important word, seventy generations; keep that in mind.

When are 70 generations going to be up? This right here is another key concerning the industrial revolution that took place 500 years ago, in the making of the nations today—the Industrial Revolution. This is the key to understand why it is that (up to the time of) the horse and buggy, that man had not advanced in technology up to that point in time. And I'm going to show you.

*"when they and all their children have battled with each other, and when they have seen the destruction of their beloved one, bind them"*  
bind Semyaza (Semyaz) and his angels  
*"for seventy generations"*

Now if you mark 70 generations, you're going to find out when that 70 generations emerges from the horse and the buggy to the steam age—about 500 years ago.

*"bind them for seventy generations underneath the rocks of the ground **until.....**"*  
*"the time of their judgment and of their consummation."*

...when they'll be released and when they'll be judged again, the final judgment, which is the great white throne judgment...of the consummation...until the eternal judgment is concluded.

## I Enoch chapters 9-10

So, here we've got 70 generations. These angels were superior in their intelligence. When they were released at the end of 70 generations, they began to introduce to man the technologies of their time to where we have nuclear power today. They began to share with man genetic tampering, electricity, nuclear power. They began to teach man these things.

Even scientists themselves (52) discover things by chance or by accident. If you read the history of some of the greatest discoveries, it was by accident—as they say, “By accident”, which was not “by accident”, but by divine design; God authorized the discovery of these things for this present time.

So they were sealed away for 70 generations, and they weren't going to be released until the time that the 70 generations were completed, which was approximately around 1500AD; that's when they came out, and that's when the Industrial Revolution began. That wasn't by chance, but again, that was by design.

**13 *“In those days, they will lead them into the bottom of the fire—and in torment—in the prison (where) they will be locked up forever.”***

*“In those days, they will lead them”*

(the sinners)

Because of the advanced technology, and that the false knowledge will prevail, and that sin will be two-fold—

(remember, God brought the children of Israel out of Egypt into the land of Canaan after the iniquity of the Amorites was full)...

*“They shall be in Egypt until the iniquity of the Amorites is full”*<sup>19</sup>. And then when the iniquity of the Amorites was full, that's when the giants were prevailing in the land, and they built great structures like Jericho..... “Then I'm going to bring destruction on them.” And that's exactly what happened.

*“In those days they will lead them into the bottom of the fire—and in torment—in the prison (where) they will be locked up forever.”*

---

19 [Gen. 15:16](#) But in the fourth generation they shall come hither again: for the iniquity of the Amorites [is] not yet full.
